To The Secretary to the Government of Madras,

Through, The President, District Board, South Kanara.

Sir,

I have the honour to state that the Assistant Examiner of Local Fund Accounts objected to the printing of vaccination forms locally on the ground that the procedure was in contravention to Rule 332 (b)(ii) and (iii) of the Local Board's -- Manual and threatened that the charges incurred are liable to be surcharged in the absence of specific sanction of Government. A reply was sent to that officer to the effect that of the forms mentioned in the rule above referred to only one form viz., Nominal Register of Vaccination was printed locally. - This form is reported to be printed in the Government Press only on one side and hence cannot be stitched into a book. Accordingly the form was printed locally on both sides and all forms required for ...f the vaccinators in the - District

District under the different local boards were printed at the same time in order to reduce the composing charges. Inspite of the above reply, the Assistant Examiner insists that the -- sanction of Government is necessary to admit the expenditure in question which is Rs 22-14-3. I request that in the circumstances stated above Government will be pleased to accord sanction to the printing of the form locally.

2. I beg to enclose copies of the correspondence in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

K Sundaram Aditya

President.

Sir,

As the procedure followed is in contravention to Rule 332(b) (ii) and (iii) of the Local Board's Manual, the Government may be requested to condone the irregularity. In the absence of any special sanction of Government, the charges incurred are liable to be surcharged.
